Connect™
USB-C® to DisplayPort™ 1.4 Cable

Be connected.

Wherever you go, devices need to speak to each other across various technologies, platforms and applications. Connectivity is at the heart of Belkin's ethos; we've always seen everything we make not just as connectors but multipliers.
Catalysts to creating something greater than the sum of its parts. We make products that thrive at the intersection of where people and technology meet through our extensive range of connectors, docking stations and cables, bringing the world closer and allowing you to do more.

The Belkin Connect Family Characteristics

- One-cable solution to connect essential peripherals to a computer
- Single solution to connect to multiple peripherals

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Rigorous testing ensures lasting quality
- Premium quality materials and thoughtful design details
- Environmental tests confirm all materials used are safe
