

OPENCOMM

WIRELESS STEREO BONE CONDUCTION HEADSET

Unlock a new level of safety in the workplace. Our open-ear design, powered by bone conduction technology, keeps you connected to and aware of your surroundings and team at the same time. DSP noise-canceling boom microphone eliminates background noise and 16 hours of talk time ensures you stay connected while you're on the road, on a jobsite, or at your desk.

Fitted for all-day wear, a durable titanium wraparound frame and open-ear design makes OpenComm more comfortable than traditional headsets.
