

Product Description /

Ultra-thin, resilient React Series case protects your phone from drops and scrapes. Its solid one-piece form is precision-fit for your phone and its soft touch edges provide great grip. The case is easily installed, and it slides in and out of pockets seamlessly. Wrap your phone in the trusted protection of React Series. OtterBox Glass installs easily and helps protect your display against drops, breaks and scratches. The glass resists smudges and fingerprints while it maintains the vivid clarity of your display. You can rely on OtterBox Glass to guard your screen against scrapes and tumbles.

Features /
