¹ Based on real life usage test by HMD Global. See more info at www.nokia.com/phones/nokia-g-11-plus. ² From the global launch date of Nokia G11 Plus. ³ Nokia G11 Plus receives in total 36 security updates from the global launch of the device. Other smart phones in the same price point receive on the average up to 16 security updates during their life cycle. ⁴ Pre-installed system software and apps use a significant part of memory space. ⁵ Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced.
