(GB): MAINTENANCE INSTRUCTIONS:

Sealed and bolts should from time to time be retightened.
CLEANING: Wooten, lacquered and polished as well as laminated surfaces should be wiped over with a cloth and a mild soap.
OIL: Oiled surfaces can be cleaned with soapy water, e.g. brown soap. Wipe with a clean cloth.
To maintain the natural life in the furniture which is provided by the oil treatment, we recommend an oil aftercare of the furniture 1-2 times a year. The so-called natural oil for maintenance of oil-treated furniture is available at your local furniture store.

(D): PFLEGEHINWEIS:

Schrauben und Bolzen sollen regelmäßig nachgezogen werden.
REINIGUNG: Geölte, lackierte, polierte und laminierte Oberflächen können mit einem sauberen Lappen und mildem Seifenwasser gereinigt werden.
ÖL: Geölte Holzoberflächen können mit einem sauberen Lappen und Seifenwasser, z.B. Seifenwasser, gereinigt werden. Um das natürliche Aussehen des Holzes zu bewahren, ist eine Öl-Nachbehandlung vom Möbelstück 1 bis 2 Mal pro Jahr empfehlenswert. Das farblose Öl, für die Nachbehandlung der Möbel, kann in Ihrem Möbengeschäft gekauft werden.

(F): CONSEILS D'ENTRETIEN:

Votre lit doit être vérifié périodiquement afin de reserrer les vis.
NETTOYAGE: Les surfaces bois, laquées, peintes et laminées peuvent être nettoyées avec un chiffon et un savon doux.
HUILE: Des surfaces bois, laquées, peintes et laminées peuvent être nettoyées avec un chiffon et un savon doux. Pour maintenir l'aspect naturel du bois, nous vous recommandons de traiter avec une huile d'ameublement 1-2 fois par an. L'huile naturelle sans colorant peut être achetée dans votre magasin de meuble.
