

GENUINE 110 plus WR-11BT+

FM / AM / Aux-in / Bluetooth
Wooden Cabinet Receiver

The Genuine 110 plus is an elegant radio combined with state-of-the-art performance. This AM/FM radio is built with Sangean's tradition of having the best sensitivity and reception for clear and static-free listening. You can listen to your own songs via Bluetooth without the hassle of any cables.

Auxiliary ports are also available to connect to your smartphone or MP3 player. This radio even has the option to connect with a recording device, so you can save the content from all your favourite radio shows! Furthermore, this radio functions as a power bank, where you can charge your phone through USB-out.

- AM/FM 2-Band
- Built-in Bluetooth wireless audio streaming
- Easily pair your NFC (Near Field Communications) enabled smartphone via Bluetooth
- Tuning and band indicators
- Soft and precise tuning
- Deep bass compensation for rich bass
- 3-inch 10 watts @ 8 ohms full-range speaker with a larger and more powerful magnet
- Auxiliary input for additional audio sources like MP3 players or smartphones
- USB 5V / 1A for charging mobile phones (only while the radio is powered off)
- External FM wire antenna included
- REC OUT jack for your recording equipment or external devices
