ro	Instructiuni de instalare

Note: Installation step for 2, screws for connecting top plastic part should not be screwed very hard, because of moving the plastic part easily left or right side.

Hinweis: Installationsschritt 2: Die Schrauben zum Fixieren des Kunststoffteils sollten nicht zu fest angezogen werden, da sich das Kunststoffteil ansonsten nach links oder rechts verschieben kann.

Notă: Instalare-pasul 2: șuruburile pentru conectarea părții superioare din plastic nu ar trebui să fie înșurubate foarte tare, pentru ca aceasta să poată fi mișcată ușor de la stânga la dreapta.
