Durable and tangle-resistant 60W silicone charging cable for all USB-C devices.

60W Charging Power for All Devices

Featuring 60W PD 3.0 Extended Power Range (EPR), the cable delivers a powerful 60W charging capacity for all USB-C devices; MacBook, PC laptops, tablets, and phones. Fast charge a MacBook Air to 50% in approximately 30-40 minutes.

Portable and Tangle-Free Silicone Design

Lightweight and easy to carry, this cable fits perfectly in your pocket or bag without the hassle of tangles, making it ideal for life on the go. The super soft silicone design enables the cable to remain tangle-free, even when stuffed into a bag, pocket, or wrapped around a charger.

Charging Compatibility for 1000+ Devices

The HyperJuice USB-C Silicone Charging Cable is compatible with approximately 1,000+ USB-C devices. Whether you need to power your laptop, tablet, phone or headphones, we've got you covered - simply plug in and charge up, no matter the device or the brand.

Durability to Withstand 10,000+ Bends

Made from a premium durable silicone jacket that has been tested to withstand over 10,000 bends, this cable is built to seamlessly handle charging demands while on the move.

Recycled Materials

The outer jacket of the cable contains 50% Post-Consumer Recycled silicone and the plastic housing on the connectors contains 35% Post-Consumer Recycled TPE plastic.
